Granting Focus

- The Community granting aims to provide assistance to a broad range of charitable initiatives that provide benefit to our local community.

What We Are Most Likely to Fund

- Activity which has ongoing benefit to the community
- Initiatives which support and improve the lives of vulnerable members of our community
- Projects that can clearly demonstrate positive outcomes
- Projects which are in keeping with the mission and aims of Border Trust and those of our granting partners.

What We Are Less Likely To Fund

- Capital works
- Ongoing salaries
- Projects in successive years.

Please note: The encouragement or advancement of sport, recreation and social activities is not considered a charitable activity by the Australian Taxation Office.

Therefore, applications from sporting organisations need to clearly demonstrate a benefit to the wider community and should clearly indicate which other local organisations are involved.

What We Do Not Fund

- Recreational or commercial sporting activities
- Projects for private benefit or individuals
- Activities or events that have commenced or already taken place.
